ADCO Global Acquires Millennium Adhesive Companies

ADCO Global, through its Michigan-based operating subsidiary ADCO Products, has acquired the Millennium Adhesive Companies, including Millennium Adhesive Products, Inc., WTT Systems, LLC, and their affiliates, based in Chagrin Falls, OH.

Millennium manufactures and sells value-adding, solvent-free urethane adhesives and sealants for installation and attachment of insulation board and single-ply membranes on new and replacement commercial building roofs. Millennium sells both to OEM customers and through a broad distribution network utilizing the Weather-Tite brand for its extensive range of products.

"The acquisition of Millennium positions ADCO as the leader in adhesive and sealant systems in the US Commercial Roofing market. Millennium's solvent-free urethane products for adhering insulation board complement ADCO's leadership position in roofing tapes and accessories" said John Knox, ADCO Global President and CEO.

"Millennium has an outstanding range of high-performance urethane adhesives, sealants, and accessories that respond to the market's demand for low VOC, high wind uplift, and easy to use products," said Glenn Frommer, President of ADCO Products. "Millennium has built an excellent reputation in the market for superior products, high quality, reliable service, and outstanding responsiveness to its customers' needs. The combination of Millennium with ADCO Products will provide roofing customers with an industry-leading product offering and expertise in all aspects of fully-adhered, single-ply membrane roofing systems."

ADCO Global is a leading supplier of specialty adhesives, sealants, tapes, and coatings serving Construction, Transportation, and Industrial markets throughout the world via its operating subsidiaries ADCO Products, Inc., in North America and Kömmerling Chemische Fabrik GmbH in Europe, Africa, and Asia. ADCO is a leader in developing specialized solutions for applications including insulating glass windows, commercial roofing, solar panels, bus/truck/trailer/RV, automotive, marine, civil engineering, telecommunications, auto replacement glass, and general construction.
